## Writing Competition - Teachers Gratitude Day

---

Dear Miss POON,

You are the kindest and the best teacher ever!

**Thank you** for everything you have taught me.

You made me feel joyful in class.

I think you are very **special** because you have magic to  
make me love English more and more.

**My favourite** day of the year at school were the  
days with you in every English class because they were interesting  
and I could learn a lot.

**I remember** when I was sad, you always comforted me.  
When I did wrong, you told me how to do it correctly. You are my good friend.

Love you!

Happy Teachers' Day!

Sincerely yours,  
Emily
