Writing Competition - Teachers Gratitude Day

Dear Mr. Chan,

You are the most generous and creative teacher ever!

Thank you for everything you have taught me.

You made me feel confidence in class.

I think you are very **special** because you are funny
so you made me like math.

My favourite day of the year at school was _____

Christmas because there are different fun
activities and we can receive many presents.

I remember that the day when you dressed up as Santa Claus
carried a bag and give us presents .We were both surprised and delighted.

What a memorable day!

Happy Teachers' Day!

Sincerely yours,
Sheng Smile
