

Tsuen Wan Trade Association Primary School
Writing Competition - Teachers Gratitude Day

Dear Miss Poon,

You are the funniest and the most creative teacher ever!

Thank you for everything you have taught me.

You made me feel delighted and happy in class.

I think you are very **special** because _____

you tell some jokes to us in your classes.

My favourite day of the year at school was _____

Christmas day because you gave me

a special gift on that day.

I remember you often give us assignments such as shooting

video and so on. I always shoot videos seriously.

After shooting video, when I see my video, I am happy

because my assignments had great progress. Thank you!

Happy Teachers' Day!

Sincerely yours,

Felix
