

Tsuen Wan Trade Association Primary School
Writing Competition - Teachers Gratitude Day

Dear Miss Huang

You are the most special and the best teacher ever!

Thank you for everything you have taught me.

You made me feel like I was at home in class.

I think you are very **special** because you make
the class warm.

My favourite day of the year at school was _____

when I was in P.2, **because** I think I'm a loser
at that time, but you encouraged me, you said that I can.

I remember that one day we are telling each other jokes
about what funny thing happen, I don't remember what
they are, but I remember your happy smiling face.

Happy Teachers' Day!

Sincerely yours,
Andrew
