

Tsuen Wan Trade Association Primary School
Writing Competition - Teachers Gratitude Day

Dear Miss Fu,

You are the most friendly and intelligent teacher ever!

Thank you for everything you have taught me.

You made me feel incredibly joyous in class.

I think you are very **special** because you teach students
patiently and never shout at us.

My favourite day of the year at school was _____

Christmas because I sometimes receive
gifts and I can play different activities. It's a lot of fun!

I remember the first time I met you. I felt a bit shy
and was afraid if you were mean and would shout at us.

After the lesson, I feel very happy and think that you are
the best teacher in the whole world!

Happy Teachers' Day!

Sincerely yours,
Jessica
