

Tsuen Wan Trade Association Primary School  
Writing Competition - Teachers Gratitude Day

---

Dear Mr. Wong,

You are the most friendly and most funny teacher ever!

Thank you for everything you have taught me.

You made me feel exhilarated in class.

I think you are very **special** because there are no  
teachers like you who have that much confidence in me.

My favourite day of the year at school was \_\_\_\_\_

today because you spent some  
precious lesson time to solve some maths problem for me.

I remember I was extremely puzzled and nervous.

However, you patiently addressed all my difficulties  
and eventually made me understand everything.

Happy Teachers' Day!

Sincerely yours,

Ayden Lau
