

Tsuen Wan Trade Association Primary School  
Writing Competition - Teachers Gratitude Day

---

Dear Miss Chan,

You are the most patient and caring teacher ever!

**Thank you** for everything you have taught me.

You made me feel like I need to study harder in class.

I think you are very **special** because you can always  
calm me down as a naughty child at once.

**My favourite** day of the year at school was \_\_\_\_\_

much warm because as a naughty student,  
you always teach me patiently to be patient.

I remember \_\_\_\_\_  
at recess you don't have a rest,  
you ask me use this time and help me memorize the words  
of the text. Thank you for letting me meet such a good teacher.

Happy Teachers' Day!

Sincerely yours,

Lin Tsz Hin
