

Tsuen Wan Trade Association Primary School
Writing Competition - Teachers Gratitude Day

Dear Miss Poon,

You are friendly and hardworking teacher ever!

Thank you for everything you have taught me.

You made me feel great in class.

I think you are very **special** because you always
smile to us.

My **favourite** day of the year at school was Christmas
because there has many fun
activities.

I remember one day I called you because my dad and mom
went out to work and I was scared, you comfort me.

Happy Teachers' Day!

Sincerely yours,
Athena
