

Tsuen Wan Trade Association Primary School
Writing Competition - Teachers Gratitude Day

Dear Ms. Huang,

You are the most patient and the best teacher ever!

Thank you for everything you have taught me.

You made me feel concentrated and interested in class.

I think you are very **special** because _____

you can perterly teach us how to read and what it means.

My favourite day of the year at school was when the English

test paper was announced in P3 because that was the

highest mark I have ever got! It was ninetly six!

I remember that I suddenly felt dizzy one morning,

but I ignored it. Then my head felt even more dizzy when I

arrived at school. Ms. Huang told me to lie down on the table

to rest and took good care of me. Thank you! Ms. Huang!

Happy Teachers' Day!

Sincerely yours,

Ella
